Alpha extends a warm welcome to our new students and their families, and as always it is a pleasure to see our returning students.

The magazine sale begins today and your child will be bringing home in their purple envelope a packet of information for you to look over. Please return your purple envelope by Friday. You will also be receiving your school calendar that incorporates the Parent/Student Handbook. If you have any questions about the handbook, please contact your child's homeroom teacher.

Mass will be on Friday at 1:15 pm unless we are celebrating a special mass. Parents are always welcome to attend. All special mass times are noted on the calendar. Any changes to mass times or other events will be sent out as an email blast to parents

The first week of school is a time to acclimate students to a new classroom, new rules, new teachers, and new friends. This is an exciting time for everyone and if there is anything we can do to make this a smooth transition for your child, please let us know.

The Teachers and Staff

Thank You

The new Arts Center is open and Alpha owes a debt of gratitude to Lisa Mitchell whose talent and imagination created the wonderful environment for our students. We also want to express our sincere appreciation to everyone who contributed to this project.

Beginning in November, Young Rembrandts' second session will be available to the kindergarten students. All classes are held on Monday. Contact Carolyn Strawoet with any questions.
