SCHOOL BUS TRANSPORTATION

School bus transportation is provided by your home school district. Providence Heights Alpha School provides the school district with your child's name, address, and emergency information. The district then determines bus routes and stops as well as pick up and drop off times. If you have not heard from your home school district's Transportation Office by mid-August, please use the phone numbers below to contact them to confirm busing information. In addition, please note that all questions, comments, or complaints about bus services should be directed to your home school district.

Half-Day Dismissal Reminder:

Providence Heights Alpha School has two half-day dismissals built into the school year, the day before Christmas break and the last day of school. Please note that many school districts do **NOT** provide transportation from school on half days. Please check with your home district for further confirmation. If your school district does not provide half-day transportation, please make arrangements to pick up your child, as APEX will not be in available on those days.

Transportation Restrictions Reminder:

Students are **NOT permitted to ride on another school district's bus** due to district liability policies. Thus, if your child is planning on going home with another student, private transportation must be provided.
